

## TODA Diesel Fully Synthetic 10W-40

### Product Descriptions

TODA Diesel Fully Synthetic 10W-40 is a fully synthetic engine oil engineered to provide outstanding performance in protecting the vehicle engine especially for diesel trucks and SUV. It's manufactured with advanced technology for best protection.

### Quality Attributes

- Outstanding thermal and oxidation stability
- Enhanced film strength at high temperatures
- Maximum engine clean-up and noise reduction
- Outstanding resistance to corrosion
- Enhanced fuel economy
- Excellent protection for turbo-charged cars

### Applications

- suitable for diesel engines operating under extreme conditions
- On-highway heavy-duty trucking and off-highway applications including trucking, mining, construction, agriculture and marine

### Specifications

API CI-4	ACEA E4/E7-12
Cummins 20078	Detroit Diesel 93K215
Deutz IV-10	Global DHD-1
Mack EO-M+, N	MB228.5, MAN 3277, 3377
MTU III	Renault RXD/RLD-2
Volvo VDS-3	

### Typicals

Density @15 °C, kg/l	0.87
Viscosity @40 °C mm <sup>2</sup> /s	94.2
Viscosity @100 °C mm <sup>2</sup> /s	14.6
Viscosity Index	161
Pour Point, °C	-35
Flash Point COC, °C	220
Total Base Number, mgKOH/g	10.5

### Packing Size 1 liter, 6 liters, 18 liters, 200 liters

The data mentioned in this product information sheet is meant to enable the reader to orientate himself about the properties and possible applications of our products. Although this overview is composed with all possible care on the stated date, the compiler does not accept any liability for damages caused by incompleteness and/or inaccuracies in this information, especially when these are caused by obvious typing errors. The terms of delivery of the supplier apply to all product supplies. The reader is advised, especially for critical applications, to make the final product choice in consultation with the supplier. Due to continual product research and development, the information contained herein is subject to changes without notification.
